**Gordon E. & Betty I. Moore Foundation**  
**FEIN: 94-3397785**  
**Amended 2012 Form 990-PF**

The 2012 Form 990-PF is amended to report changes in investment income as originally reported on Part I, column B. A portion of capital gains was not originally calculated correctly, as the incorrect carryover basis was inadvertently used. Upon learning of these differences, the Foundation took immediate action to obtain the correct tax cost basis information from its broker and to report gains related to the sale of stock on the attached amended, Form 990-PF.

Also, certain expense allocations in Part I, columns B and D and other information disclosures throughout the return have been revised to more accurately reflect the investment and charitable activities of the Foundation.
